

Thank You to Our Peer Reviewers!

In this last issue of the year, we would like to acknowledge everyone who completed peer reviews for JADPRO in the past year. Our reviewers, who are from a wide variety of oncology specialties, dedicate their expertise and time to provide insightful feedback on submitted manuscripts.

We hope that during the year we have fully given you our thanks and made our appreciation to you clear, but would like to further acknowledge your contributions here.

If you would like to become a peer reviewer for JADPRO, please don't hesitate to contact the editors at editor@advancedpractitioner.com for more information about how to get involved.
